PRODUCT SPECIFICATION

BALL VALVE

- 1pc/2pc/3pc Design Ball valves
- Floating Design / Trunnion Mounted Design
- Metal Seated Ball valves for High Temperature with Extended Stem & Slurry Application
- Pneumatic / Electrical / Hydraulic / Gas Over Oil Operated Ball valves
- High Pressure Ball valves
- Cryogenic Ball valves for Temperature upto -196° C
- Three Way Ball valves
- Jacketed Ball valves
- Fully Welded Ball valves for Buried Application
- Fire Safe Design Ball valves
- Flush Bottom Ball valves
- Manual Ball valve with Limit switch

APPLICATION AREA

Our wide range of products is used in various industrial applications. Our customized solutions offer various uses as per specifications in accordance with different industries.

We cater our products to following types of industries and applications:

- ✦ Petrochemical industry
- ✦ Refineries
- ✦ Chemical industry
- ✦ Power Plant
- ✦ Fertilizers
- ✦ Oil & Gas
- ✦ Nuclear Power
- ✦ Cement
- ✦ Paper Mills
- ✦ Mining
- ✦ Sugar Factories
- ✦ Steel Plant
- ✦ Defence
- ✦ Textile industry
- ✦ Pharmaceutical industry
- ✦ Food & Beverages
- ✦ Solvent Extraction
- ✦ Mediums of Oil, Gas, Steam, Water, Pneumatic, Hazardous Chemicals, Petrochemicals etc.

BUSINESS ASSOCIATES

We Represent and deal in many major product brands:

Make

- All Type Of Electrical Actuator Manufacturer.
